***Abstract***

This template gives formatting instructions to prepare the Abstracts for 3<sup>rd</sup> International Research Symposium on Management. You can use this word document as a template into which you can directly type your abstract. The respective authors should prepare their abstract in one column choosing A4 size paper encompassing one-page maximum in 12pt of Times New Roman font with justify. Line space is 1.5. Author has freedom to develop the abstract with maximum of 350 words excluding keywords. Top, Bottom and Right margins should be set as 1 inch, and the left margin should be 1.5 inches. Title of the paper, author name/s, affiliation/s, email address/s, contact number/s & corresponding author's email and contact number should be top of the paper. Abstracts should be submitted in MS-Word format to the email [irms@mgt.rjt.ac.lk](mailto:irms@mgt.rjt.ac.lk). An author can submit maximum of three abstracts to the symposium.

Abstract should contain brief introduction to the study along with research problem, the purpose/s of the study, methodology employed, major findings and implication if any. Citations/references, figures, tables and future work should not be included in the abstract.

All the abstracts submitted will go through two anonymity reviews to determine their suitability. Acceptance/rejection of the abstract is notified with the review comments. Abstracts accepted and revised as per the review comments will be published in the proceedings of the symposium.
